Dear Seniors Day Participant:

First, we would like to take this opportunity to express our sincere appreciation for your participation at the Trinity Medical Center 2003 Seniors Day Event. It was a great success and we know it is an event that the seniors in our community find helpful and fun.

Again, like last year, the soup and the entertainment were a hit. We also had a lot of compliments about all the food donated and the diversified booths that were available. There have been suggestions for improvement and of course these will be addressed for next year.

Again, a special thanks goes to LCRA Employees, who for the fourth year underwrote part of the cost of this event. We realize that this event would not be possible without the generous contributions of time, refreshments, equipment and talents donated by all those involved.

The Trinity Medical Center Auxiliary are especially appreciated for all the hours of work they always put into this event. The Volunteers manage the information/registration booths, the food court, and the counter station. Thanks again to all the Volunteers!

This is a wonderful way to honor and serve our community's senior population, and we look forward to the 2004 Seniors Day. Thanks again!

Sincerely,

Dear Shelly:

On behalf of the Bryan-College Station Chamber of Commerce and the Brazos Valley Restaurant Association, we would like to express our sincere appreciation for your support of our Eighth Annual Epicurean Extravaganza. The night provided an excellent opportunity to showcase local restaurants and others in the food service industry, as well as give the community a fun, economical place to spend an evening.

Approximately 1,600 community members attended, and we are pleased with the many positive comments we have received. Your sponsorship of this event was a major contribution to the success we were able to enjoy. It is great businesses like yours that help us promote Taking Care of Business in the Bryan/College Station area.

We were so proud to have KTX 106.1 as one of our sponsors for the 2003 Epicurean Extravaganza. Once again, thank you for your support. We sincerely hope it was an enjoyable evening for you and your guests.

Very truly yours,
